

Lotusphere Comes to You 2010.

Lotus knows where to find you.

What else does Lotus know? You can build stronger relationships, unlock information, foster innovation and do more with less within and outside of your organization—without boarding a plane. At Lotusphere® Comes to You, you'll get to know a local community of people like you who know how to achieve better business results with IBM Lotus® software and services.

MEET UP AND WORK SMARTER—TOGETHER

Learn from and interact with experts on Lotus software—IBM employees, IBM Business Partners and clients. At Lotusphere Comes to You, you can:

- Get hints and tips, user experiences and key technical content that you won't find anywhere else.
- Learn about the latest technologies that are shaping business today like email and collaboration solutions, social software, real-time communications, cloud computing and autonomic appliance solutions.
- Network with Lotus users and make connections with business partners and other customers.
